

## Game Title

Midnight Mini Racers

## Core Idea

A multiplayer toy-scale racing game where players control tiny creatures racing customizable mini cars through large household environments at night before sunrise.

## Core Gameplay Loop

Start race → Navigate obstacles → Use abilities → Finish before sunrise → Earn rewards → Upgrade and customize → Repeat.

## Unique Features

Tiny world perspective, sunrise timer system, dynamic obstacles like pets, and creative car modifications such as wings and special tires.

## Target Audience

Casual to mid-core mobile players aged 10–30 who enjoy multiplayer racing games.

## Monetization

Skins, car upgrades, battle pass, and optional ads for rewards.

## Retention

Daily login rewards, night missions, multiplayer races, and leaderboards.

## Visual Style

Stylized cartoon visuals with night lighting and large-scale environments.
